The stepmother memorizes the number on his screen and calls Yoo-na to let him know that he is one step closer to marrying a Kang; The plan is to exchange yoo-na with the girl that Hwa-ha had in mind. Ha-won is already there to meet her. She has just refused an appointment established by Hwa-ha. Oh Hyun-min, poor. I loved it when Ha-Won used

The first interaction of Hyun-minà ¢ â € with civilization after anguish takes place in a plastic surgery clinic. € œIt is willing to leave â ™ a tip for it, especially if what â € ™ is bothering has to do with Hyun-min. He reflects on the HA-Wonà ¢ question about whether she likes it and is perplexed by the unknown emotions of him. She tigidly admits that she is in Sky House and assures Hye-ji that she was nothing between her and Hyun-min, but Hye-ji praises her for rejecting it since he too should know how she it feels. Ha-wonà ¢ He's â € The listening to Ji-Woonà ¢ he has had a change of opinion and will only go to the trip if he gets Hyun-min too. She affirms how impressive she is Ha-won for rejecting Hyun-min so easily. Ha-won hurriedly cleans the tears of her while he joins her at the table. Ha-won starts the last leaf of the hands, thinking that he will â to reality, but Hyun-min simply takes another branch and starts again, ha ha ha ha. SEO-WOO Listen from Bodyguard Lee, who was not â € ™ â [™] â [™] Locate ha-won. Ha-wonà ¢ â € The [™] bulb goes off and asks Ja-Young photos. Ji-woon follows her while she comes out furious. But I was wrong, and I am very happy to have done it, because the misery and suffering of Hyun-minà ¢ was so fun to see. Ha-won continues, â € œIt look good what your heart feels, with respect to your family and womenâ € ». And with that, she leaves. Who did she know that she would react so? This rose means that Ji-Woon is changing, she says, and gives Ha-won several avion tickets; The reward of it is a vacation this time. Next, we see her first love of her hye-ji at home, looking depressed. Hye-Ji suggests that they make themselves come up in the study of it. She's face lights up, and when she wondered if she was she who left a rose next to her mother's urn, she responds that her mothers are as neighbors in a certain way. Hye-ji does not respond to Ji-Woon's calls again, so she goes to her study. Hook, line, AAA and plumber! The stepmother calls the number that she got from the Hwa-jaa phone and tries to sell her daughter as a real capture, but when she hesitates the question of occupation, the person on the other side ends the conversation, It is no longer interested. She she panties when she sees the text of her friend: a viral video of her confession to Ha-won, engraved without her knowing it. I love how it's a good time, like bringing home to Ha-won, for example, tries to act as if it were not a big deal and that does not care, but that forced air of indifference makes it more entrail ± iAbly because we know that it is true otherwise. Its easy jokes and their timid exchanges of smiles show that, at least, Ha-won and Ji-woon feel cómodos with each other. Ji-Woon sees the white roses that Mrs. Beolgyo is placing in a jar and asks if they are from Ha-won. The idea of Ha-won kidnapping Hyun-min while he sleeps is too funny. Ms. Beolgyo shows BodyGuard Lee and Seo-Woo Ha-Won's farewell note; Everyone is worried about his disappearance³ n. Make sure the "Gig." Hye-ji looks at an old photo of her and hyun-min as neither, and the texts Ji-Woon to determine if she will go on the journey mañana. Its manager assumes it's because it's progressing in its 3, but SEO-WOO declares something even better happened. I'm curious to see how 3 uses this knowledge to his gain. Seo-woo walks to his manager's 3 car, but his manager stops him first to verify he's not incapacitated in a school uniform fetish again. Ha-Won mentions that the Hyun-min have been acting extra lately, and Lee accepts; He's never seen hyu-min like this before, but he's not too worried. I'm betting on a resounding "Yes." Related posts have tentatively won the knocks on Hyun-min's door before opening it. Stepmother blames her daughter for digging her own grave with that story she wrote³, and yoo-na crawls angry into her room³ HWA-JA responds to a call during her stepmother massage, and it sounds like she's arranging a date for someone, which provides details about the type of girl she's looking for. Seo-woo burfs in Ji-Woon's supposed indifference, and Ji-Woon heads to his room³ feigning disinterest. She was surprised by her knowledge of that, and both note Hyun-min's vacÃo bedroom. Our heroÃna has been successful with previous missions, but this new one comes with new challenges. also developedly true. So, why is he is "Trying so hard? But she starts crying when she tells her mother she can't go to college. Since Ha-won entered his life, he has been forced to count on his emotions. Hyun-minâÂ" is in a PC bang, furtively shielding the wrath of his viral confession3 heh. Ji-woon admits very recently that he gave that rose to his father, and Ha-won praises him for that gesture. And we process emotions in different ways. Ha-wonA¢A" jokes about the kidnapping, and a naughty smile bursts on his face. The person she's talking to turns out to be her, and she immediately recognizes him. She excitedly asks everyone to go on a trip together, and Ji-woon's face says "NoA" loud and clear. When the stepmother shouts that an uneven pedicure is bad luck, the door opens slightly, and Yoo-na pulls out her foot so her mother can paint again. The only thing that concerns me about Ji-woon is his 3 relationship with Hye-ji. Bodyguard Lee sees Hyunmin outside, turning a blade of grass and crouching by the stream, looking rather pitiful. Bodyguard Lee appears and Ha-won feeds him something, interrupting his speech and taking him by surprise. Ha-won worries that she's been too hard on him. The Seo-woo manager arrives at an abandoned warehouse to settle matters with someone claiming to have incriminating photos of Seo-woo. She keeps talking about how attentive Ha-won is, but Ji-woon looks at all this and joking the flame for eating three meals alone. Ha-won takes this as his go-to man. This is great. "How do 3 get a miserable gentleman out of his mood when he doesn't want them to help him? His arms to capture his attention and direct him to his phone again. At school, SEO-Woo is trapped inside an impenetrable Fangirls ring. The poster includes information about a fire that took place in the Yeongak apartments in 2006, which is how danded Ha-Wonà ¢ â €, and also the last known whereabouts of Kangà ¢ â €. He hopes to see the habit he is again, and Ha-won supposes that this would be an ordinary vacation. The stepmother thinks that she can use this opportunity to earn some money and end up with the days of Ha-Wonà ¢ Sky House, which is music for the ears of Yoo-naà ¢ Â. Ha-won replies that everyone will go to the trip except Ji-Woon. She signs that â € no longer ignore her, and Ji-woon returns to play again. He thanks Ja-Young to keep the diploma of her safe, but Ja-Young says he does not need to thank; She shows ha-won a lot of photos with SEO-WOO in all the glory of school uniform. She thought that if Hye-ji was leaving, Ji-Woon and Ha-won were the OTP even though Hyun-min was the most convincing gentleman, but now the pairing of it begins to have much more sense for me; She looks good and feels natural. You do not have to worry, because Ji-Woon will be her moral support, and it will also renege her decision not to go to the trip. She responds that yes; Ha-won thought that the colorful flowers would be inappropriate after the memorial. \tilde{A} , Comments She $\hat{a} \in \hat{a} \in \hat{a}$ agell nooW-i, otnemom ese nE. sailimaf sus y niM-nuyH noc secev ed rap nu Âlla euF ;etnemaveun puorG luenaH ed senoicacav ed asac al ratisiv ereiuq alle euq ednopser alle y, ejaiv la ri arap iJ-eyH ed senoicnetni sal nos ©Âuq atnugerp nooW-iJ. adasap anames al somajed ol ednod somadunaer soN 7 oidosipe led n³ÃicalutipaceR Ã. romuh neub ed ¡Ãtse eug edsed sarudavren sal noc agneted es eug ecid el oow-oeS .odot y soleuyoh sol, ahcef al atsah asirnos royam us acatsed y adecus eug ¡Ãrah ol eug eerc eeL orep ,alle noc senoicacav ed n¡Ãri es so±Ãin sol eug ed aruges ¡Ãtse on allE .agima us a ³Ãnag-ah ,on o aredisnoc alle eug aes ay y ,otnemom etse ne adajone abatse n©Ãiug ed oruges abatse oN .otnorp nat odanag ah adrejugzi esuoH ykS ed asac al eug rahcucse la artsardam ed sadaracac sal y .Ãlla s'noW-ah is rev arap mompetS ed asac al atisiv eeL drauGydoB lE .³Ãirruco el es n³Ãicazilaer atse eug ecerap y ,anosrep arto are roma remirp us eug amrofni el y ocid©Âm la egirroc nim-nuvH oreP .o±Ãeus us ed atreipsed ol odiur ed daditnac anugnin orep ,niM-nuyH ed atreup al odanag ah ,ehcon asE .niJ-gunoy gnaK ¡Ãtse edn³Ãd ÃrbucseD" :onof©Ãlet us ne osohcepsos otxet nu erbucsed mompetS otxet nu erbucs us edneicne es ,etnemlaniF .rovaf a iJ-eyH a ratnugerp a oniv neiug ,now-aH a n³Ãicneta us evleuved y arongi ol iJ-eyH orep ,ramall a evleuv nooW-iJ .anosrep ne l©Ã a egirid ol y onof©Ãlet us agleuc now-aH iÃtse edn³Ãd ebas on etnemadanutrofased orep ,alaigeloc us oterces ne renetnam etemorp alle odnauc ajaler eS .atnugerp al rop adatrecnocsed ,adarim us ative y rednopser ed adud anu eceD, "satsug et¿Â", knalB-tnioP a atnugerp el y niM-nuyH a arim yaW-aH .amot elbod anu ed s©Âupsed ajed ol etnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit© netnemlanif etnereg le y, sanatnev sal ne olliuqelf etnemacit et ne olliuqelf etnemac what she touches FO soohp aka, SWMog eht Reganam EHT SWIHS EHS DNEHW EVOL I, ho $\hat{A} \notin f$ usah Ehelels Rninah DNA .Wol Gninnur Yrht reh, klawedis a gunola sklaw ylnelle now-Ah, Elihwnaem .werb shte-aj .noisb tuo f \cdot noisb \tilde{A} \chi Ndid EHS Ecnis reh Drawot Yarros San-Ah Slepga Ephy Lha-Epho Ntolc Chain Eh iHCnis Nuboj ot Sreetnulov Oaw-Oes DNA, now-Ah!
